

M 1:100

Technical drawing of a roof plan showing dimensions and structural layout. The drawing includes a main rectangular area with a total width of 26,50 and a total length of 13,24. The layout is divided into sections with various dimensions and structural elements.

Dimensions and Layout Details:

- Overall Dimensions:**
 - Width: 26,50
 - Length: 13,24
- Section Dimensions (from left to right):**
 - 0,25
 - 0,50
 - 2,50
 - 0,25
 - 3,75
 - 3,75
 - 0,50
 - 0,50
 - 1,50
 - 0,50
 - 0,50
 - 3,75
 - 3,75
 - 0,25
 - 2,50
 - 0,50
 - 1,00
- Structural Elements:**
 - Two parallel lines representing structural members, with a distance of 2,00 between them in the central section.
 - Dimensions of 10,75 are indicated for the sections on either side of the central structural members.

BRATISLAVA

Technical drawing of a road cross-section. The drawing shows a road profile with a central drainage ditch. The ditch is labeled "EXIST. KANALIZÁCIA" (Existing Sewerage). The road surface is marked with a "±0.00" elevation. The ditch is flanked by slopes of 8.0% on the left and 2.0% on the right. The ditch is shown in plan view, with a dashed line indicating the sewerage line. The drawing is a technical sketch, likely for a construction or engineering project.
